- Unfair Competition and Deceptive Trade Practices

It is hard work to grow and excel in the business world. Companies often find success through a combination of an outstanding business model, solid customer service, and a uniquely positive customer experience. However, some business owners try to gain a competitive advantage through improper means. Business torts and interference claims can come up in virtually any industry due to unfair interference by a company or individual or unethical or immoral methods of doing business. We fight to maintain the standing and reputation of your business through representation in cases involving:

- Trade Secret Protection
- Business Interference Claims
- Unfair Competition
- Trade Libel and Business Defamation
- Prima Facie Tort
- Malicious Prosecution
- Abuse of Process
- Disparagement
- Nuisance
- Computer Torts and Cyber Crimes
- Fraud and Negligent Misrepresentation
- Invasion of Privacy
- False Light Claims
- Tortious Interference with Contractual Relations
- Breach of Fiduciary Duty

Fair and equitable business practices are integral to a viable business environment. Such business practices facilitate the healthy competition that drives innovation and keeps the most worthy businesses thriving. When a company engages in activities that unduly damage the operations or reputation of a competitor, it violates the spirit of commerce as well as the law. These practices hurt healthy competition and have a negative impact on the victimized business as well as the marketplace at large.

We help you navigate the intricacies of **business law** and protect your company from unfair or unscrupulous practices. Our wealth of knowledge and experience helps us identify and investigate claims in a comprehensive fashion to deliver justice for our clients.
