Rosen Hagood Celebrates 75 Years

February 15, 2022

This year, Rosen Hagood celebrates its 75th anniversary. Founded in Charleston in 1947 by Morris Rosen, the firm's attorneys practice across South Carolina, having developed a national reputation for exceptional legal work in business, construction, probate, family law, personal injury, and employment matters.

A boutique litigation firm with deep roots both locally and across the state, Rosen Hagood delivers personalized client service and hands-on attention to every matter. We care about our clients, and it shows in our work.

During the past 75 years, the firm has also cultivated a legacy of leadership within the legal profession and the community. Three of the firm's attorneys have served as president of the South Carolina Bar and many others have served in leadership positions in professional and community organizations.

In the coming year, we look forward to sharing more information about the firm's history and celebrating the attorneys who have helped build the firm.

Personal attention. Know-how. And 75 years of South Carolina legal experience and leadership. That's Rosen Hagood.
