Rosen, Rosen & Hagood joins with the Steinberg Law firm to form the Brain Injury Law Group of SC

February 10, 2004

In order to better serve individuals suffering with a brain injury, two Charleston law firms with extensive experience in handling complex brain injury cases have formed the Brain Injury Law Group Of South Carolina.

Richard Rosen of Rosen, Rosen, & Hagood and David Pearlman and Malcolm Crosland of the Steinberg Law Firm are the lead attorneys in this venture.

They will bring together experienced staff and contacts with the medical and rehabilitation community to offer persons with a brain injury enhanced legal services.
