Personal Injury

- Charleston Traumatic Brain Injury Attorneys

August 7, 2023

Attorneys from both the Steinberg Law Firm, LLP, and Rosen, Rosen & Hagood, LLC, have joined together to serve persons with brain injuries. By utilizing the many years of experience of attorneys in both firms plus an onsite legal nurse consultant, persons impacted with a brain injury receive a team approach in assisting them.

A phone call to the nurse consultant at 1-877-502-7246 will start the service delivery process.
